The mission of the Carilion Wellness group exercise program is committed to teaching participants of all ages. Our mission is to instruct safe, fun and motivating classes while educating and improving general health, fitness and wellness. We monitor all group exercise classes by the attendance of each class and the feedback we receive from both members and instructors. If any of the classes are not being supported, then that class has a chance of being cancelled or the class format changed. If you have any comments or concerns, please contact our Group Exercise Manager at 989-5758.

CLASS DESCRIPTIONS

AQUACISE 50 MINUTES
A complete workout that integrates cardiovascular training, aquatic strength training and flexibility using the water's resistance and equipment. Great for all fitness levels!

BASIC YOGA 45 MINUTES
This is a 45-minute class designed for those looking to start their yoga practice. Beginner participants will work on form and flexibility.

BODYATTACK 55 MINUTES
The sports-inspired cardio workout for building strength and stamina. This high-energy interval training class combines athletic aerobic movements with strength and stabilization exercises. Recommended for intermediate to advanced.

BODYFLOW 55 MINUTES
The yoga, tai chi and Pilates workout that leaves you feeling long, strong, centered and calm. It is your personal "time-out" from the stress and strains of daily life. BodyFlow will improve your joint flexibility and range of movement and is recommended for all fitness levels.

BODYJAM 55 MINUTES
A 55-minute workout set to the latest music and greatest dance moves. It's cardio fun at its best for those with a passion for movement. Recommended for intermediate to advanced fitness levels.

BODYPUMP 60 MINUTES
The world's fastest way to get in shape. This group barbell program challenges every major muscle in your body. Designed for all ages and fitness levels.

BODYSTEP 60 MINUTES
This step class is an athletic, fun, and simple workout. Improve cardio fitness, coordination, tone density, posture and agility while shaping and toning the legs.

CXWORX 30 MINUTES
This is a 30-minute personal training-inspired core class. It has been designed to tighten and tone the abs, glutes, back, obliques, improve functional strength, and assist in injury prevention.

CYCLE 45-50 MINUTES
This class is designed to improve all aspects of physical fitness, using sports psychology, including guided imagery, visualization and other motivational techniques to prepare both mind and body for ultimate performance. Recommended for a variety of riders from intermediate to advanced.

FUSION 45 MINUTES
This interval class combines Kranking with a basic indoor cycling class, allowing you to achieve full-body cardiovascular fitness. In one class you will work your entire body, upper and lower, alternating between the cycle and the Krankcycle.

GRIT SERIES 30 MINUTES
30-minute set training routines, based on the science of High Intensity Interval Training. Highly charged certified coaches give you one-on-one attention. There are 3 workout styles to deliver the results you need. GRIT Strength: builds strength and lean muscle; GRIT Cardio: burns fat and rapidly improves athletic capability; GRIT Athletic: incorporates speed, strength, agility, and explosive power; GRIT Fusion: a mix of Cardio & Strength or Athletic & Strength - mixed by the instructor with members in mind (options available for a variety of levels.)

HYDRO POWER 50 MINUTES
This class features high energy cardiovascular training designed to meet target heart rate zones - be ready to sweat! Muscle conditioning and flexibility using the water's resistance and equipment included. Recommended for the intermediate to advanced participant.
